Neo

With its new Neo series, Henkelman brings vacuum packaging technology to the next level. Advanced technology with additional functionality. Smart. Full option. Extensive and intuitive. And finally, the contemporary design qualifies these models as true eyecatchers.

"Basic functionality can be operated on the machine. More advanced functions can be programmed with the VacAssist app."

APP

Basic functionality can be programmed on the Neo vacuum packaging machine. To be in control of all other options and functions, Henkelman developped the VacAssist app, available for free in the App Store and Google Play. Easy to use and a great support for efficiency in your everyday packaging process.

APP FUNCTIONALITY

- Define program names and labels
- Control settings
- (De)activate options and functions
- HACCP logging
- Wireless printer settings

VacAssist

The chamber dimensions listed refer to the usable space in the vacuum chamber (length x width x height). The machine dimensions listed refer to length x width x height. Other voltages available. Textual and printing errors reserved
