ATHENA

State of the art

IT

Nuova e moderna linea di buffet con soluzioni tecnologiche all'avanguardia. L'accurato accostamento di materiali diversi come legno laminato e acciaio inox rende questi elementi non più solo un'attrezzatura professionale ma veri e propri ed eleganti complementi di arredo curati fin nei minimi dettagli. Tutti i modelli possono essere realizzati nei nostri 16 colori di legno laminato standard e possono essere completati da svariati optional per rispondere a qualsiasi necessità di utilizzo.

EN

New and modern range of state of the art buffets with many technological solutions. The accurate combination of different materials like laminated wood and stainless steel makes these units not only professional equipments but also real pieces of furniture made with attention to the smallest detail. All the models can be manufactured in all of our 16 different laminated wood colors and can be equipped with various options to satisfy any needs.

ATHENA PLC

ATHENA A45 / A90

IT

Buffet neutri con struttura in legno laminato e top in acciaio inox AISI 304 per completare la linea self-service. Ogni vano chiuso da sportello ha un ripiano regolabile in altezza all'interno.

ATHENA SAL 2 / 3: 2 o 3 cassetti con divisori interni e 2 o 3 vani con sportelli. I modelli ad angolo Athena A45 e A90 sono ideali per completare la linea self service permettendo a quest'ultima di adattarsi perfettamente a qualsiasi ambiente e agli spazi di qualsiasi sala. Il modello ATHENA PV è la stazione per vassoi, piatti, posate e bicchieri ideale per iniziare la linea di distribuzione pasti. Il modello ATHENA PLC è la stazione distribuzione piatti caldi con sollevatore a livello costante.

EN

Neutral buffet to completion of the self-service line with laminated wood structure and stainless steel AISI 304 countertop. Each space closed by a door has an adjustable shelf inside.

ATHENA SAL 2 / 3: 2 or 3 drawers with internal dividers and 2 or 3 doors. The angle elements Athena A45 and A90 are the ideal solution so as to define the self service line making it able to easily adapt the equipments to every ambient and to every hall's shape. The model ATHENA PV is the ideal station for trays, plates, cutlery and glasses at the beginning of a self service line for meal distribution. The model ATHENA PLC is a heated plate dispenser.

*A perfect temperature
for your food*
