Data sheet
XC II 100 Pro

BIZERBA

Modern PC technology in a compact design is what the X-Class II Pro series stands for. Benefit from an integrated 3-in-1 printer. This device allows convenient, intuitive and fast operation via touchscreen. Enjoy more performance due to a large RAM. All models are provided with a powerful Intel® Quad Core processor. Ideally suitable for new features or individual requirements.

More information
High performance with a wide range of solutions and options.

Product description

Compact scale XC II 100 Pro provides you with functions for the modern daily routine in retail: Weighing, labeling, advising customers and transactions are possible with this scale. Communicate information, advertising contents and cross selling campaigns via a brilliant customer display. With a cash register drawer this device becomes an efficient checkout solution.

A powerful and open PC platform ensures high performance: The large RAM has sufficient memory to let you implement new features or individual requirements. Even the use of 3rd-party software is not a problem.

The 3-in-1 printer is unique on the market: With just one device you can print receipts, labels or linerless paper. Replacing a paper roll is a very fast and intuitive process.

XC II 100 Pro with 10" operator display
