

Data Sheet

Label remover

BIZERBA

Our professional portfolio of care products and cleaning agents offers you the right solution for your industry. This Bizerba label remover stands out in terms of easy and effective handling. Thanks to its thorough cleaning effect you remove labels with noticeably less effort than with comparable methods. The result is visible: a hygienic overall appearance of your environment.

More information
High performance with a wide range of solutions and options.

Product description

Benefit from effective cleaning: In comparison with other methods, Bizerba cleaner removes labels noticeably easier. With only minimal effort you will achieve the consistent, hygienic appearance that increases the trust placed in you by your customers. Remove misplaced labels from your surfaces without concern. Because this Bizerba product is certified with the NSF Hygiene Standard C1 Nonfood Compounds. Another highlight: The cleaner removes labels without scratching. As you clean, you protect your investment, increasing its accessibility and sustainability.

Available in two different container sizes
