- FlashPak™ disc and Pellet Centering Tray can be removed for bag cleaning and replacement
- Self-diagnostic features alert user in the event of an error
- Two-year advanced replacement warranty – U.S. and Canada (charger only)

PERFORMANCE

The CookTek® Pizza Delivery System is comprised of a lightweight thermal FlashPak™ disc, pellet centering tray (PCT), system-specific VaporVent™ delivery bag, and an induction charger base. The FlashPak™ disc and PCT tray reside in the VaporVent™ bag. When the bag is placed on the charger, the disc automatically heats up. After it is heated to the desired temperature, the thermal disc automatically stops heating. Once removed from the charger, the FlashPak™ disc retains it's temperature for up to 30 minutes.
