

Specifications/data sheets

Bain marie kit model 112, 211, 311

**Article number:**

60.71.918

Features:

- The bain marie helps you keep various soups and sauces warm at the same time and as such is an optimum complement for a la carte. In addition to the four portion containers, the set also includes the lids. These prevent the products from cooling or forming skin.
- The bain marie is suitable for appliances (model 112, 211, 311) with the VitroCeran option.

**Technical data:**

- Scope of delivery: 1 bain marie attachment with 4 portion baskets (unperforated) + lid and one 2/3 GN container
- Dimensions: 334 mm x 373 mm x 153 mm
- Material: stainless steel
- Weight: 5.2 kg
- Cleanability: Dishwasher-safe

Additional accessories:

- 60.72.066 - unpunched portion baskets (2 x)
- 60.72.067 - punched portion baskets (2 x)
- 60.99.228 - lid for portion baskets (2 x)
