

Specifications/data sheets

Portion baskets with frame model 112T, 112

**Article number:**

60.71.919

Features:

- In à la carte service, small quantities can be optimally boiled or deep-fried in the portion baskets. Place the frame directly on the pan edge so you can conveniently cook individual portions of pasta, potatoes, vegetables or chips.
- The recess on the rear of the frame allows a water inlet even during operation, without having to remove the frame.

**Technical data:**

- Scope of delivery: 1 frame with fixing + 6 perforated portion baskets with handle
- Dimensions: 514 mm x 325 mm x 195 mm
- Material: stainless steel
- Weight: 3.6 kg
- Cleanability: Dishwasher-safe
- Volumes: 1.1 litre per basket

Additional accessories:

- 60.99.228 - lid for portion baskets (2 x)
- 60.72.066 - unpunched portion baskets (2 x)
- 60.72.067 - punched portion baskets (2 x)
