

Specifications/data sheets

Unpunched portion baskets and lids (2 x) model 112T, 112, 112L, 211, 311

**Article number:**

60.72.066

Features:

- The portion containers help you keep various soups and sauces warm at the same time and as such are an optimum complement for à la carte service. In addition to the two portion containers, the set also includes the right lids, these prevent the products from cooling and forming skin.
- The portion baskets fit into the portion basket frame (model 112T, 112 and 112L) or the bain marie attachment. (The bain marie is suitable for appliances (model 112, 211, 311) with the VitroCeran option).
